LETTER FROM THE CHAIRMAN

This year boasted our largest National Junior Olympics, ever, which was woven through the fabric of Orange County for eight full days. The breadth and excitement of a national tournament with more than 10,000 athletes in competition is unparalleled - making it one of the world's great tournaments -- and the largest. JO's is the centerpiece of a growth strategy that is expanding high-level competitive opportunities for athletes and clubs across the nation.

On the international front, our women's senior national team served notice that the gold medal secured in Rio was no fluke. They dominated World Championships and didn't lose a game all year. The men made the medal round at the FINA World League Super Final in Moscow, finishing fourth; they suffered an upset to Japan in Budapest at the FINA World Championships, finishing 13th. We are pleased by increased participation in ODP and related high performance programs, which in turn has led to greater resources for developing these age groups.

Now 45,000 members strong, our federation continues to be financially prudent and strong. An important contributor to this success has been our community of 4,500 donors, whose generosity and steadfastness has made a difference for us. **Thank you, all of you, who have chosen to invest in our sport!**

We were fortunate to welcome Walt Price, Peter Varella, and Brenda Villa to the Board of Directors. This year Richard Esterkin resigned from the Board after ten years of valuable board service. Richard will continue to represent our interests as pro bono General Counsel. **Commitment to a volunteer board like USA Water Polo's** requires a real investment of time and resources, and we are incredibly fortunate and grateful to have such a remarkable group of diverse experiences and views putting the interest of our sport first.

With all the positives, we are in no way complacent. There is plenty of work to do to further support sport growth, our national teams, the college game and the brand of water polo in the media space. We are also working diligently to make sure our athletes are safe and properly trained, coached and cared for. We take that responsibility very seriously.

It is an honor to be entrusted with the leadership of our federation. Thank you for your trust and your confidence.

THE YEAR IN REVIEW: 2017

More than ten years have passed since I joined USA Water Polo. The organization undertook a sea change when it reformed its bylaws in 2006. Those changes led to a new independent Board of Directors and, ultimately, a new way of thinking about growing our sport and achieving our federation's competitive potential.

Financially, we closed 2017 annual operations with a modest surplus for the tenth consecutive year. Since 2006, our annual budget has grown from \$3.9 million to \$10.844 million. During the

same period, we have retired more than \$700,000 in debt while building an operational cash reserve of more than \$600,000 -- a positive swing of \$1.3 million.

The women's national team is the envy of the sports world. They hold every international title in women's water polo, and they earned those titles with a talent and discipline that have inspired us and elevated our sport to new heights. Although the men's team has been up and down since the 1990's, there are reasons for optimism. They finished fourth this summer in the FINA World League Super Final, held in Moscow, slipping from the final only after losing to eventual champion Serbia in a shoot-out. The men made the medal

round at the FINA World League Super Final and finished thirteenth at the FINA World Championships. They remain a work in progress.

Both the men's and women's programs showed strength at the age group levels. The women captured the World University Games championship and finished a highly competitive fifth at the Junior World Championships, losing their sole game of the tournament to Greece -- in Greece -- by a single goal. The men played well in Junior World Championships despite missing a couple of eligible Olympians due to collegiate scheduling conflicts. Where the men's program made a statement was by winning gold

at the Darko Cucic youth championship in Serbia. Playing in Belgrade, the team beat Serbia in the semi-finals and Croatia in the final. Both Boys and Girls won gold at the 2017 UANA Water Polo Youth (17U) Championship held in Peru.

From a membership perspective, December represented our 60th consecutive month of membership growth over prior year. We finished the year with more than 45,000 active members—an all-time high. In what is becoming a new trend, our sport is growing significantly faster outside of California than within. Texas, the Midwest, Oregon, Utah and the Northeast are all experiencing significant increases in membership and play opportunities. We have also worked in concert with the US Olympic Committee to implement stronger "Safe Sport" athlete safety standards to further protect our members from sexual and other kinds of misconduct.

National Junior Olympics is the largest water polo tournament in the world, with nearly a thousand teams entering qualification tournaments -- more than ten thousand athletes participated in JO's this year, as well as thousands of dedicated coaches and officials. In all we produced ten tournaments in 2017.

ODP set new highs in participation with nearly 4,000 athletes taking part. Since a retooling in 2015, member satisfaction with ODP has soared. The All Star program was added for high school seniors that had previously aged out in the past. Nearly 2,000 athletes were selected to compete at ODP National Championships. Athletes also had the opportunity to try out

for the 2018 ODP Futures team to take part in an international trip to compete in Hungary. The 11 and Under clinics were expanded and the 11 and Under Festival was held December at LMU. Record numbers attended the ODP Camp in Atlanta, Georgia while the ODP Identification Tournament was introduced in the Southeast zone with more than 300 athletes participating in the tournament.

On the social media front, growth on all platforms continued, nearing 200,000 combined followers on

Facebook, Instagram and Twitter. A feature on growth in water polo was produced that led to coverage of sport expansion in markets around the country, a trend that continued into 2018 and beyond. Production began on USA Water Polo's first ever diversity series, highlighting four stories of diversity in water polo including (race, mental disability, physical adaptation and gender/sexuality) which would debut in 2018. Webcast production increased for events including National League, multiple Senior National Team events,

5-Time Olympian Tony Azevedo played his last National Team game in a moving tribute at his alma mater, Stanford University

Back-to-Back gold medal Olympian Courtney Mathewson honored at Foothill High School

Champions Cup and live Counter Attacks. The retirement of Olympians Tony Azevedo and Courtney Mathewson were celebrated by many fans with ceremonies and honorary games.

We are supporting the addition of new NCAA varsity programs as well, including an agreement that will allow us to produce an NCAA Division III Championship starting in 2019. We believe this championship will drive further

adoption of varsity water polo at NCAA schools. Our relationship with the US Olympic Committee has never been stronger, with the USOC working as a trusted partner in our high performance programs as well as other macro sport issues, such as campaigning for clean sport at the international level. We have also been an active partner with LA2028 to bring the Olympic Games to Los Angeles.

Without question there are plenty of challenges ahead. Our men seek a breakthrough to demonstrate they are capable of sustained competitive excellence. The women must try to stay on top of the world, knowing that every team on the planet is gunning for them. Our game needs to become more spectator and media friendly, yet the sport's international rules remain in flux. We also await new FINA standards to evaluate and assign referees in international competition. And we are working with only a fraction of the resources we need to realize our many ambitions.

One way we have addressed leveraging greater resources has been through robust philanthropic giving, which accounted for 14% of USA Water Polo total budget in 2017. That percentage translated into more than \$1.3M raised to support growth, National Teams and other important

initiatives. Approximately 4,500 individuals contributed to USA Water Polo's funds and events, whose total gifts represented a 14% increase in number of annual fund direct donations over 2016. The Goalkeepers Society, our major gifts program, has grown to 45 members who contribute more than \$500,000 collectively.

Despite challenges, USA Water Polo's future remains bright. The people in our sport, from top to bottom, are gifted and principled, and their work has led to a high level of performance. Each week our coaches are teaching literally thousands of young men and women the value of teamwork, discipline, and attention to fundamentals. Our board of directors and our staff are also filled with sharp, ethical people who put our sport first. The results described above represent a lot of good old-fashioned blocking and

tackling that has become emblematic of our culture, which is characterized by toughness, creativity, and a commitment to excellence.

I want to thank each donor who helped USA Water Polo fight the good fight by putting a few more arrows in our federation's quiver. In the larger picture, this represents 4,500 people who are betting on us. Their commitment is one of many reasons we can look ahead with optimism.

FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2017

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
USA Water Polo, Inc.
Huntington Beach, California

We have audited the accompanying financial statements of USA Water Polo, Inc. (a nonprofit corporation) which comprise the statement of financial position as of December 31, 2017, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

BASIS FOR QUALIFIED OPINION

As discussed in Note D to the financial statements, the Corporation has not consolidated its financial statements with the United States Water Polo Foundation (the Foundation), an entity over which USA Water Polo, Inc. has control. In our opinion, accounting principles generally accepted in the United States of America require that a reporting entity consolidates the financial statements of a separate non-profit entity for which it controls, as defined by ASC 958-810-25-3.

As described in auditing standards generally accepted in the United States of America, it was not practicable to quantify the effect of consolidating the financial statements of the United States Water Polo Foundation with USA Water Polo, Inc.

QUALIFIED OPINION

In our opinion, except for the effects of not consolidating the Foundation, as discussed in the Basis for Qualified Opinion paragraph, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of USA Water Polo, Inc. as of December 31, 2017, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

REPORT ON SUMMARIZED COMPARATIVE INFORMATION

We have previously audited USA Water Polo, Inc.'s 2016 financial statements, and our report dated February 28, 2017, expressed a qualified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2016, is consistent, in all material respects, with the audited financial statements from which it has been derived.

USA WATER POLO, INC. NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2017

A | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

USA Water Polo, Inc. (the Corporation), is the national governing body for water polo, making it responsible for the conduct and administration of the sport in the United States.

Income Taxes

The Corporation qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, accordingly, is not subject to federal income tax. Accordingly, no income tax provision has been recorded.

The Corporation's Forms 990, Return of Organization Exempt from Income Tax are subject to examination by various taxing authorities, generally for three years after the date they were filed. Management of the Corporation believes that it does not have any uncertain tax positions that are material to the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents consist of the Corporation's checking accounts and money market accounts.

The Corporation maintains its cash and cash equivalents at a commercial bank. In the event of a bank failure, the Corporation could suffer a loss to the extent its deposits exceeded the respective bank insurance limits.

Accounts and Grants Receivable

Accounts receivable are stated at the amount Management expects to collect from balances outstanding at year-end. Based on Management's assessment of the credit history with customers having outstanding balances and current relationships with them, it has concluded that an allowance for doubtful accounts in the amount of \$0 and \$7,500 is necessary as of December 31, 2017 and 2016, respectively.

Property and Equipment

As of December 31, 2017, property and equipment consists of training equipment and office equipment used in the operations of the Corporation. Property and equipment are recorded at cost or, if donated, at the estimated fair market value at the date of donation. The Corporation's lease of the property where its weight training facility was constructed expired during the year ended December 31, 2016. Therefore, fixed assets that were not removable from that property were removed from the Corporation's recorded fixed assets.

Depreciation is recorded using the straight-line method over an estimated life of fifteen years for the weight training building and three to five years for training and office equipment. Depreciation expense for the years ended December 31, 2017 and 2016, was \$47,572 and \$76,491, respectively.

A | SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

In-kind Revenue

Corporate sponsorship income in the form of in-kind goods, such as clothing and balls, are reported as revenue and expense in the fiscal year they are received. For the years ended December 31, 2017 and 2016, in-kind goods received amounted to \$312,728 and \$412,068, which is included in corporate sponsorship in the accompanying statement of activities.

The Corporation receives pro bono professional advice on legal and management matters. However, the Corporation has not recorded any amounts for these services, since the conditions necessary for recognition under generally accepted accounting principles were not met. The Corporation also receives donated services from other contributors and volunteers that are not measurable and, therefore, are excluded from the financial statements.

Contributions

Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of donated assets unless such restrictions are satisfied in the same period that the contribution is received.

When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Functional Allocation of Expenses

Certain costs and expenses are allocated among the various programs and supporting service expenses based on salary and related expenses. For the years ended December 31, 2017 and 2016, the Corporation's supporting service expenses amounted to 14.92% and 13.93%, respectively, of total support and revenue.

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities, and the reported amounts of revenues and expenses. Actual results could differ from those estimates.

Prior-Year Comparisons

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Corporation's financial statements for the year ended December 31, 2016, from which the summarized information was derived.

Certain reclassifications may have been made to the prior-year amounts in order to conform to the current year financial statement presentation.

Supplemental Cash Flow Disclosures

During the years ended December 31, 2017 and 2016, cash flows from operating activities contained no amounts paid for interest or income taxes.

Date of Management's Review

In preparing the financial statements, the Corporation has evaluated events and transactions for potential recognition or disclosure through March 9, 2018, the date that the financial statements were available to be issued.

B | FAIR VALUE MEASUREMENTS

The Corporation applies Generally Accepted Accounting Principles (GAAP) for fair value measurements of financial assets that are recognized or disclosed at fair value in the financial statements on a recurring basis. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Corporation has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The following table presents assets that are measured at fair value on a recurring basis at December 31, 2017 and 2016:

ASSETS AT FAIR VALUE AS OF DECEMBER 31, 2017					
	LEVEL 1	LEVEL 2	LEVEL 3	TOTAL	
Money market	\$ 12,199	\$	\$	\$ 12,199	
Mutual funds	386,633			386,633	
Equities	401,933			401,933	
Total	\$ 800,765	\$	\$	\$ 800,765	

ASSETS AT FAIR VALUE AS OF DECEMBER 31, 2016					
	LEVEL 1	LEVEL 2	LEVEL 3	TOTAL	
Money market	\$ 16,997	\$	\$	\$ 16,997	
Mutual funds	278,897			278,897	
Equities	124,257			124,257	
Total	\$ 420,151	\$	\$	\$ 420,151	

Investment income (loss) in the accompanying statements of activities consists of the following for the years ended December 31, 2017 and 2016:

	2017	2016
Interest and dividends	\$ 16,887	\$ 5,080
Unrealized losses	(6,146)	(5,803)
Total	\$ 10,741	\$ (723)

C | UNITED STATES OLYMPIC COMMITTEE

The United States Olympic Committee (USOC) provides grants to the Corporation for sports development, international competition, and team preparation. Support provided during the years ended December 31, 2017 and 2016, consisted of the following program categories:

	2017	2016
Performance funding	\$ 1,275,000	\$ 1,428,400
International relations grant	10,000	20,000
Equipment purchase grant		33,063
Total	\$ 1,285,000	\$ 1,481,463

During each of the years ended December 31, 2017 and 2016, the Corporation received \$60,000 in value-in-kind support from the USOC under the above grants.

The Corporation is economically dependent on the grants from the USOC in order to maintain its national team programs at current levels.

D | UNITED STATES WATER POLO FOUNDATION

The United States Water Polo Foundation (USWPF) is an exempt entity whose purpose is to extend financial and other aid and assistance for the benefit of, and to carry out the purposes of the Corporation.

During the years ended December 31, 2017 and 2016, the Foundation has not provided grants to the Corporation. The 2016 grant of \$71,600 that was unpaid as of December 31, 2016, was written off as a bad debt expense by the corporation during the year ended December 31, 2017. This amount was only reported in the Corporation's financial statements due to the lack of consolidation discussed in the following paragraph, since it would otherwise have been eliminated during consolidation.

During the year ended December 31, 2016, it was determined that the Corporation has control through a majority voting interest and an economic interest in the Foundation, based on a review of the respective governing documents. According to ASC 958-810-25-3, control of a related (but separate) non-profit entity, through a majority voting interest in the Board and an economic interest in the other non-profit entity, requires consolidation, unless control does not rest with the holder of the majority voting interest. Several provisions of the Foundation's governing documents indicate that these conditions exist between the Corporation and the Foundation. However, the Corporation has not consolidated the financial statements of the Foundation.

E | ZONES

The Corporation has eleven separate zones that function as regional administrative authorities for USA Water Polo, Inc. across the United States of America.

The Corporation's net assets managed by all eleven zones are Board designated for expenditures in their regions and are reflected in Note J.

F | DEFERRED REVENUE

Deferred revenue consists of the following at December 31, 2017 and 2016:

	2017	2016
One-year memberships	\$ 1,291,389	\$ 1,121,454
Olympic development program	58,925	46,825
Other	11,340	17,600
Sponsorship	4,312	42,300
Deferred donation		10,000
Total	\$ 1,365,966	\$ 1,238,179

G | LEASES

During 2011, the Corporation signed a forty-two month operating lease on a postage machine that expired December 20, 2014, the lease was extended in 2014 through September 18, 2018. The lease requires monthly payments of \$76.

During 2016, the Corporation amended an operating lease for office space. The amended lease for the Huntington Beach office space is effective October 1, 2016, through January 31, 2019, at \$8,740 per month, increasing each year.

The Corporation also entered into a lease for a warehouse effective March 1, 2016, through February 28, 2018, at \$1,650 per month.

The Corporation also leases a storage unit in Colorado Springs on a month-to-month basis.

Minimum future payments on these leases for each of the years ended December 31 are as follows:

2018	2019
\$ 137,716	\$ 11,422

Total rent expense amounted to \$135,805 and \$112,199 for the years ended December 31, 2017 and 2016, respectively.

H | LOS ALAMITOS POOL

On January 11, 1996, the Corporation entered into a sublicense agreement for a twenty-year period with the Military Department of the State of California for the use of the Los Alamitos Armed Forces Swimming Facilities as a training center.

Since the Corporation incurred all of the refurbishing costs and is responsible for the ongoing maintenance and upkeep on the pool, there are no rental payments.

H | LOS ALAMITOS POOL - Continued

This sublicense agreement can be canceled by mutual agreement of the parties with ninety days written notice.

During the years ended December 31, 2017 and 2016, payments totaling \$0 and \$5,074, respectively, were made to the City of Los Alamitos to offset maintenance expenses under this sublicense agreement.

During the year ended December 31, 2004, the Corporation constructed a building for weight training and coaches' offices at the Los Alamitos facility. Total construction costs of the building were \$99,932. Because the building was constructed on military property, the Corporation did not own the building, but intended to use the building in subsequent years. Accordingly, management had adopted a 15-year life over which the cost of the weight training facility will be depreciated.

During the year ended December 31, 2016, the sublicense agreement expired and the Corporation removed the capitalized portion of building from its books, recording a loss of \$13,324 for the remaining net book value. The Corporation now pays for use of the Los Alamitos Pool on an "as needed" basis.

I | RETIREMENT PLAN

The Corporation adopted a 401 (k) retirement plan effective January 1, 2015. The plan covers all employees over twenty-one years of age with six months of service. The Corporation matches 100% of the elective contributions of its employees up to 5% of the employee's compensation for the calendar year. Pension expense amounted to \$97,998 and \$98,612 for the years ended December 31, 2017 and 2016, respectively.

During the year ended December 31, 2015, the Corporation entered into a deferred compensation agreement under Section 457(f) of the Internal Revenue Code with its Chief Executive Officer.

The purpose of the plan is to provide retirement benefits for this individual. Contributions to this non-qualified account will not be vested until the earliest of employee's 65th birthday, death, disability, involuntary termination without cause, or termination of employment for good reason. During the year ended December 31, 2017, the Corporation contributed a total of \$37,500 to the plan. As of December 31, 2017, the unvested balance in the non-qualified account was \$186,349, which includes earnings on the account balance and is presented in other investments and other liabilities in the accompanying statement of financial position.

J | FUNDS HELD IN TRUST

At December 31, 2017 and 2016, funds held in trust consist of the following:

	2017	2016
American Water Polo Coaches Association	\$ 12,167	\$ 12,167
New York Athletic Club	1,214	1,214
Irvine Water Polo Club	650	650
Administration	72	72
Total	\$ 14,103	\$ 14,103

K | UNRESTRICTED NET ASSETS - BOARD DESIGNATED

At December 31, 2017 and 2016, Board designated net assets consist of the following:

	2017	2016
Central California Zone	\$ 29,808	\$ 30,031
Coastal California Zone	31,503	7,733

Southwest Zone	13,149	10,725
Total	\$ 298,128	\$ 280,767

L | TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets at December 31, 2017 and 2016, are available for the following purposes:

	2017	2016
Regional development	\$ 19,153	\$ 39,667
Hall of Fame	5,100	5,100
Toring Memorial	3,162	3,162
LA Project	2,207	2,207
NTSC Scholarships	268	268
Total	\$ 29,890	\$ 50,404

Net assets are released from donor restrictions by incurring expenses that satisfy the restricted purpose. During the years ended December 31, 2017 and 2016, respectively, temporarily restricted net assets were released from restrictions for the following programs:

	2017	2016
Regional development	\$ 114,456	\$ 81,193
Referee development		13,612
Total	\$ 114,456	\$ 94,805

M | PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets at December 31, 2017 and 2016, consist of the Corporation's endowment fund in the amount of \$10,461 for both years. These net assets are subject to donor restrictions that stipulate that the original principal of the gift is to be held and invested by the Corporation indefinitely.

The Corporation has adopted investment and spending policies based on the California Uniform Prudent Management of Institutional Funds Act (UPMIFA). As a result of the Corporation's interpretation of UPMIFA, and in accordance with donor restrictions, contributions to this fund are classified as permanently restricted net assets. The historic dollar value of those contributions must be maintained intact. Income from the fund is classified with unrestricted net assets. These funds are invested in cash and cash equivalents, pursuant to the Corporation's spending objectives of subjecting the fund to low investment risk. The Corporation expends this fund's investment earnings for the restricted purpose in the year of receipt.

	Temporarily Restricted	Permanently Restricted	Total
Endowment net assets, January 1, 2016	\$	\$ 10,461	\$ 10,461
Investment income		10	10
Program expenditures		(10)	(10)
Endowment net assets, December 31, 2016		10,461	10,461
Investment income		11	11
Program expenditures		(11)	(11)
Endowment net assets, December 31, 2017	\$	\$ 10,461	\$ 10,461

N | CONTINGENCIES

Occasionally, in the ordinary course of business, the Corporation is named defendant in a lawsuit or other form of legal action. In the opinion of management, any pending or threatened claims against the Corporation, as of December 31, 2017, are either without merit or will not exceed insurance limits.

O | USA WATER POLO FOUNDATION

During the year ended December 31, 2015, the Corporation established USA Water Polo Foundation, a 501(c)(3) organization with the sole purpose of supporting USA Water Polo, Inc. The entity's Board of Directors will be appointed by USA Water Polo. The entity did not have any activity during the year ending December 31, 2017. The Corporation intends to dissolve this entity.

USA WATER POLO 2017 CHARITABLE CONTRIBUTIONS

USA WATER POLO THANKS THOSE INDIVIDUALS, FOUNDATIONS, AND CORPORATIONS WHOSE GENEROSITY AND VISION HELP US BETTER SERVE OUR MEMBERSHIP, GROW AND NATIONALIZE THE SPORT, AND POSITION OUR NATIONAL TEAMS TO WIN MEDALS.

GOALKEEPERS SOCIETY (\$2,500 AND ABOVE)

As leading investors, Goalkeepers Society contributors share an appreciation of the lifelong benefits of the water polo experience and an understanding of the investment required to provide ongoing programming, grow the game and compete on the international stage. These leadership gifts are the backbone of our giving program.
